Amazon/APSIG Fellowship

The Amazon-APSIG Fellowship Program is for leaders and experts on Internet governance to participate annual meetings of the Internet Governance Forum (IGF). The program, supported by Amazon and APSIG, started in 2017.

Annual APSIG Meeting

Asia Pacific School on Internet Governance (APSIG) organizes an annual meeting for the Internet governance leaders and experts for their capacity development with 4-Day Course and All SIG Meeting.

- **APSIG 2018**, Asian Institute of Technology Bangkok 2018-07-08 ~ 12
- **APSIG 2017**, Sukosol Hotel Bangkok, 2017-07-22~26
- **APSIG 2016**, Asian Institute of Technology Bangkok 2016-09-11~15

All SIG Group

All SIG Group organizes two All SIG Meetings per year; during Annual APSIG Meeting and Annual IGF Meeting for national and regional SIGs and IGFs in Asia Pacific to discuss on their common issues. The national SIG members of APSIG are afSIG, bdSIG, cnSIG, inSIG, IkIGF-SIG, npSIG and pkSIG. There are around ten more national IGFa and other organizations participate All SIG Group activities.
